SENATE

S. NO. 2660

RECEIVED BY: 

Introduced by Senator Antonio "Sonny" F. Trillanes IV

EXPLANATORY NOTE

A government employee is entitled for vacation and sick leaves he/she earned. In cases where a government employee experiences a serious illness or injury, he/she, however, is sometimes forced to exhaust all his/her leave credits and continue to be on leave without compensation. This is an unfortunate event for an employee.

This bill, thus, is intended to provide alleviation for the hardship caused to an employee and to his/her family experiencing the aforesaid situation. It seeks to create a "Sick Leave Bank" for government employees. As used in this bill, Sick Leave Bank refers to a pool of sick days which will be established by employees who will make a one time donation of their accumulated local sick days. Depending on the participant's donation, sick leaves in a sick leave bank may be used by any participating employee in the Agency who has exhausted his or her accrued vacation time, personal days, sick leave and compensatory time due to serious illness or injury.

In view of the foregoing, immediate approval of this bill is earnestly sought.
