SENATE
S.B. No. 1338

RECEIVED BY 

Introduced by Senator Loren Legarda

EXPLANATORY NOTE

It is the primary responsibility of the State to promote the rights of children to survival, development and special protection of their well-being. Children count on their parents for material, educational and medical support necessary to become productive members of our society.

The acts punished in Republic Act No. 7610, as amended, otherwise known as the Special Protection of Children Against Child Abuse, Exploitation and Discrimination Act, and Presidential Decree No. 603, as amended, otherwise known as the Child and Youth Welfare Code, fail to include the willful failure to pay child support.

The State must protect and defend the right of children to child support, and parents must be responsible for their children. A law punishing the willful failure to pay child support must therefore be enacted.

In view of the foregoing, early passage of this bill is earnestly requested.

LOREN LEGARDA
