OFFICE OF THE CLERK

SENATE
S.B. No. 1411

RECEIVED BY

Introduced by Senator Loren Legarda

EXPLANATORY NOTE

This bill seeks to provide an exemption from the imposition of the Value Added Tax (VAT) on donated imported goods for humanitarian, relief and similar purposes.

The law, under Section 107 of the National Internal Revenue Code, prescribes that every importation shall be subject to Value Added Tax. However, this provision lessens or even hinders the receipt of goods used for humanitarian and relief purposes.

It is thus proposed that donated items or goods from foreign donors which are exclusively for non-profit, charitable, humanitarian, relief purposes benefiting the poor and the needy, should be exempt from payment of the Value Added Tax.

If such goods are exempt from VAT, it will facilitate the entry and the distribution of donations for the benefit of the less fortunate.

With these in mind, passage of this measure is earnestly requested.
