

FIFTEENTH CONGRESS OF THE)
REPUBLIC OF THE PHILIPPINES)
First Regular Session)

11 JUL 13 2012

SENATE
S.B. No. 1442

RECEIVED BY 

Introduced by Senator Loren Legarda

EXPLANATORY NOTE

This bill seeks to provide a social security support to media practitioners by instituting a nationwide welfare program and establishing a welfare fund, amending for this purpose Executive Order No. 100, and augmenting the present function of the Philippine Information Agency (PIA).

The media is a potent tool in nation building by providing and ensuring the flow of information across the nation. Mass media practitioners are vital gatherers and articulators of vital information pertinent to national interests and public welfare. They are important facilitators in shaping public opinion, building national consensus on issues, and molding societal values and ideals.

The contribution of media practitioners cannot be over emphasized, but they come at the expense of risks involved in the performance of their job. While there are big media companies who can afford to pay their employees high salaries, they employ only a fraction of the newsmen and women. Many media practitioners earn barely enough for their basic survival needs, much less save for social security such as emergency medical need, hazard pay, and the like.

This measure intends to contribute in the development of a support system for free-lance media practitioners to encourage them to perform their noble profession sans corruption and to practice their vital role in Philippine society with credibility, security and dignity.

In view of the foregoing, the passage of this bill is earnestly sought.
