

FIFTEEN CONGRESS OF THE REPUBLIC )  
OF THE PHILIPPINES )  
First Regular Session )

SENATE  
S. No. 1569

---

Introduced by Senator Miriam Defensor Santiago

EXPLANATORY NOTE

A lot of accidents involving weapons are the result of the weapon owner's failure to store the said weapons safely – that is, without having first securely locked such weapon in an appropriate locked box or rendered it incapable of being fired by the use of a gun locking device appropriate to that weapon.

Placing weapons within reach or easy access of other people, especially of children, is likewise irresponsible because it increases the incidence of injury not only to the one who got hold of the weapon, but also to the other people around him. Allowing other people access to weapons likewise facilitates the use of such weapons in the commission of other crimes.

This bill seeks to protect people from accidents caused by the failure to store weapons safely.\*
