

FIFTEENTH CONGRESS OF THE REPUBLIC)
OF THE PHILIPPINES)
First Regular Session)

SENATE
OFFICE OF THE SECRETARY

10 JUL 19 75 11

SENATE
S. No. 1615

RECEIVED BY: 2

Introduced by Senator Miriam Defensor Santiago

EXPLANATORY NOTE

The Constitution, Article 2, Section 28 states:

Subject to reasonable conditions prescribed by law, the State adopts and implements a policy of full public disclosure of all its transactions involving public interest.

Lobbying activities are being carried out today in the Philippines and greatly influence the government's policy decisions and even the creation of laws by the legislature. While the records of the deliberations of the Senate and the House of Representatives are open to the public, the behind-the-scenes negotiations are not. The numerous Senate and House hearings investigating the suspected anomalous deals of the government are proof of public distrust in the way that government transactions are concluded. Hence, it is equally, if not more important that lobbying activities be made public in order to restore the people's trust and confidence in the government and to ensure that openness, honesty, and integrity form the basis of dealings between Members of Congress and lobbyists.¹
