#### EXPLANATORY NOTE

Section 16, Article III of our Constitution gives each person the right to a speedy trial, it provides that: "All persons shall have the right to a speedy disposition of their cases before all judicial, quasi-judicial, or administrative bodies."

The Judiciary Reorganization Act of 1980 (BP 129) allotted the corresponding number of courts per judicial region based on the exigencies existing at that time.

Twenty seven years have passed since the effectivity of BP 129.

Because of the increase in our population and the increase in the volume of cases filed, our court dockets have been clogged and this has resulted in the delay in the resolution of cases.

In order to improve the disposition and administration of justice and to ensure the right to a speedy trial, the number of courts must necessarily be increased.

In view of the foregoing provisions, the approval of this bill is earnestly recommended.
