First Regular Session)

OFFICE OF THE SECRETARY

10 JUL 21 AM 1:00

SENATE
S. No. 1716

RECEIVED BY

Introduced by Senator Miriam Defensor Santiago

EXPLANATORY NOTE

The Constitution, Article 13, Section 14, mandates that the State shall afford full protection to labor, local and overseas, organized and unorganized, and promote full employment and equality of employment opportunities for all. The Labor Code, Article 162 provides that the Secretary of Labor and Employment shall issue appropriate orders, set and enforce occupational safety and health standards in all workplaces and institute programs to ensure safe and healthful working conditions in all places of employment.

Presently, there is a lack of uniform warnings for personal protective equipment for occupational use. This situation has confused both employers and employees on the proper use of such equipment. This has increased worker exposure to workplace injuries and illnesses..

This bill seeks to provide safety warning standards to reduce injuries and illnesses resulting from the faulty use of occupational equipment.*
