OF THE PHILIPPINES)
First Regular Session)

OFFICE OF THE CLERK

SENATE
S. No. 1689

RECEIVED BY

Introduced by Senator Miriam Defensor Santiago

EXPLANATORY NOTE

“In the sweat of thy face shalt thou eat bread, till thou return unto the ground; for out of it was thou taken: for dust thou art, and unto dust shalt thou return.” (Genesis 3:19)

Grave robbery has always been a problem since time immemorial. In a culture as rich as ours, we have always honored our dead with many gifts to commemorate their lives as well as graves fit to be their final resting place. As the time for remembering those who preceded us approaches, a few unfortunate souls would find that the final resting place of their loved ones has been desecrated by grave robbers. The damage done goes beyond the measurable as it not only dishonors the deceased, it also causes anguish to those who survived them. According to a US case, “the gravamen of an action for desecration of a grave is the mental suffering caused by the disturbance of a loved one’s final resting place”.*

No matter the description of the grave, from the grandiose pyramids to Jean Valjean’s simple and unnamed gravestone, this type of theft must be severely addressed.

This bill seeks to create a separate act of robbery under the Revised Penal Code for the robbery of cemetery items or the ones committed in cemeteries, graveyards or burial grounds. †
