SENATE

SENATE  
S. No. 1866

RECEIVED BY

Introduced by Senator Miriam Defensor Santiago

#### EXPLANATORY NOTE

The Constitution, Article 2, Section 5 provides:

The maintenance of peace and order, the protection of life, liberty and property, and the promotion of the general welfare are essential for the enjoyment by all the people of the blessings of democracy.

Our people are more concerned about illegal drugs and crimes associated with such use than any other current social problem.

Illegal drug use is harmful and wrong. Illegal drug use can kill the individuals involved or cause the individuals to hurt or kill others, and such use strips the individuals of their moral sense and with it, everything in life that is important and worthwhile.

The purpose of this bill is to reduce the supply of drugs by stopping illegal drugs from entering the Philippines.\*
