SENATE  
OFFICE OF THE SECRETARY

SENATE  
S. No. **1878**

RECEIVED BY *[Signature]*

Introduced by Senator Miriam Defensor Santiago

EXPLANATORY NOTE

The 1987 Constitution, Article 11, Section 14, provides for the fundamental equality of the sexes, thus: "The State recognizes the role of women in nation-building, and shall ensure the fundamental equality before the law of men and women."

Discrimination by reason of sex is usually effected by subtle and elusive means especially in employment advertising. This discrimination is widespread and done publicly, notwithstanding the above constitutional mandate.

The main objective of this bill is to institutionalize the protection given to both sexes by eliminating gender discrimination in employment advertising and by providing penalties for violations thereof.\*
