SENATE
OFFICE OF THE SECRETARY

SENATE

Senate Bill No. 2036

RECEIVED BY: 

Introduced by SENATOR EDGARDO J. ANGARA

EXPLANATORY NOTE

In the implementation of government policies, plans and programs, the Barangay, as the basic political unit of the country, plays a very significant role. It serves as the frontline of the government's initiatives for national development at the grassroot level.

The Barangay Captain, as Executive Officer, implements developmental projects of the government. Over time, the Barangay had evolved as a critical factor in the implementation and success of the government's law enforcement agenda. In the performance of his functions, Barangay Captains inevitably cross paths with criminals. It comes with the territory. It is a fact, that a good number of Barangay Captains and their families have become the victims of vengeance and retaliation.

This bill attempts to provide supplemental benefits to Barangay Captains for death, injuries and sickness that they will sustain in the conduct of their official duties and functions. The measure goes beyond rhetorical appreciation and provides a certain level of comfort for the difficult work they perform and all the attendant risks that they are exposed to. For these reasons, it is but fitting that Barangay Captains should be given refuge in the law.

In view of the foregoing considerations, immediate passage of this bill is earnestly sought.
