S. No. **2102**

Introduced by Senator FRANCIS G. ESCUDERO

EXPLANATORY NOTE

This bill seeks to ease the burden currently besetting security guards or watchmen.

First, it provides for a study now pay later scheme for security guards, watchmen and even private detectives who may opt, or are mandated, to *finish the security management specialist course* offered by public and private institutions which are government accredited to conduct police and security training.

And second, it extends the validity of every security guard's required security license under Republic Act No. 5487 and its Implementing Rules and Regulations.

In view of the foregoing and in deference to the uniqueness of a security guard's job which principally involves risk of life and limb, early passage of this proposed measure is submitted.
