EXPLANATORY NOTE

Alternative dispute resolution or ADR has become an effective legal mechanism in settling controversies or disputes in court.

As a way of encouraging ADR and promoting its use, this bill seeks to provide the benefit, favorable to the accused, of lowering the penalty in case of conviction in criminal cases where the civil aspect of which is settled with finality through or by ADR.

It is submitted that with this proposal, criminal cases will be resolved with dispatch especially in determining and satisfying civil liability at the least which is impliedly instituted in the filing of such cases in court.

An immediate deliberation of this bill is thus requested.
