SEC. 2. Manner of Operation of Stations or Facilities. – The stations or facilities of the grantee shall be constructed and operated in a manner as will, at most, result only in the minimum interference on the wavelengths or frequencies of existing stations or other stations which may be established by law, without in any way diminishing its own right to use its assigned wavelengths or frequencies and the quality of transmission or reception thereon as should maximize rendition of the grantee's services or the availability thereof.

SEC. 3. Authority of the National Telecommunications Commission. – The grantee shall secure from the National Telecommunications Commission (NTC) a Certificate of Public Convenience and Necessity or the appropriate permits and licenses for the construction, installation and operation of its telecommunications systems or facilities. Should the grantee, its successors or assignees, after the ten (10)-day notice from the said authority, fail, refuse, or neglect to repair or replace any part of public place, road, highway, street, lane, alley, avenue, sidewalk, or bridge altered, changed or disturbed by the said grantee, its successors or assignees, then the DPWH or the LGU concerned shall have the right to have the same repaired and placed in good order and condition, and charge the grantee, its successors or assignees, at double the amount of the costs and expenses for such repair or replacement.

SEC. 5. *Responsibility to the Public.* – The grantee shall conform to the ethics of honest enterprise and not use its stations or facilities for obscene or indecent transmission, or for dissemination of deliberately false information, or willful misrepresentation, or assist in subversive or treasonable acts.

The grantee shall operate and maintain all its stations, lines, cables, systems, and equipment for the transmission and reception of messages, signals, and pulses in a satisfactory manner at all times, and as far as economical and practicable,

SEC. 8. *Term of Franchise.* – This franchise shall be renewed and in effect for a period of twenty-five (25) years from the expiration thereof on 9 August 2021, unless sooner

revoked or cancelled. This franchise shall be deemed *ipso facto* revoked in the event the grantee fails to operate continuously for two (2) years.

SEC. 9. *Right of Interconnection.* – The grantee is hereby authorized to connect or demand connection of its telecommunications systems to other telecommunications systems installed, operated, and maintained by any other duly authorized person or entity in the Philippines for the purpose of providing extended and improved telecommunications services to the public, under the terms and conditions mutually agreed upon by the parties concerned. It shall not install network features, functions, or capabilities that will impede the implementation of a nationwide MNP system. The NTC shall issue rules and regulations for this purpose, the effectivity of which shall commence upon applicability with other telecommunications franchise grantees.

SEC. 11. *Tax Provision.* – The grantee, its successors or assignees, shall be liable to pay the same taxes on their real estate, buildings, and personal property, exclusive of this franchise as other persons or corporations which are now or thereafter may be required by law to pay, except radio, telecommunications, and electronic communications equipment, machinery, and spare parts needed in connection with the business of the grantee which shall be exempt from customs duties, tariffs, and other taxes, as well as those declared exempt in this Section.

In addition thereto, the grantee, its successors or assignees, shall pay a value-added tax on all gross receipts of the business transacted under this franchise by the grantee, its successors or assignees, in the Philippines, in lieu of any and all taxes of any kind, nature or description, levied, established or collected by an authority whatsoever including, but not limited to, city, municipal, provincial or national, from which the grantee is

hereby expressly exempted effective from the date of the effectivity of this Act: *Provided*, That the grantee, its successors or assignees shall continue to be liable for income taxes payable under Title II of the National Internal Revenue Code pursuant to Section 2 of Executive Order No. 72, unless the latter enactment is amended or repealed, in which case, amendment or repeal shall be applicable thereto.

Congress shall be informed of any sale, lease, transfer, grant of usufruct, or assignment of franchise or the rights and privileges acquired thereunder, or of the merger or transfer of the controlling interest of the grantee, within sixty (60) days after the completion of the transaction. Failure to report to Congress such change of ownership shall render the franchise *ipso facto* revoked.

Any corporation to which this franchise may be sold, transferred or assigned shall be subject to all conditions, terms, restrictions, and limitations of this Act.

SEC. 14. *Dispersal of Ownership.* – Subject to the requirements of the Securities and Exchange Commission (SEC) and the stock exchange concerned, the herein grantee shall make public utilities offering to the stock exchanges at least thirty percent (30%) of its authorized capital stock in any securities exchange in the Philippines within five (5) years from the date of the effectivity of this Act: *Provided*, That in cases where public offer of shares is not applicable, the grantee
