#### EXPLANATORY NOTE

Our 1987 Philippine Constitution, Article III, Section 16 provides: **“All persons shall have the right to a speedy disposition of their cases before all judicial, quasi-judicial, or administrative bodies.”**

As legal luminaries put it: **“Justice delayed is justice denied.”**

Proper and prompt attention is urgently needed to address the deplorable condition of the courts in the country.

*Ordinary party-litigants, mostly coming from below average income class, suffer heavily due to the snail-paced conduct of the judicial process. A resetting or postponement of the hearing of their cases would mean that the litigants have to wait at least four (4) to six (6) months.*

Because of the volume of cases, the wheels of justice indeed grind to halt. It is an expensive process and sometimes, a vain effort, especially when some litigants predecease the outcome of their cases when appealed to the Court of Appeals and finally to the Supreme Court.

This deplorable condition is likewise mirrored in the Regional Trial Courts of Mandaue City, Province of Cebu which carries case loads way beyond their capacity.

In recent years, with the boom in its economic activity and growth, the Province of Cebu including Mandaue City, Consolacion, Liloan and Compostela, have witnessed an increase in domestic migration.

The creation of additional courts is necessary to realize the Constitutional principle on accessibility and effective delivery of justice. Hence approval of this bill is earnestly sought.
