SENATE

S. B. No. 3231

Introduced by Senator Ralph G. Recto

EXPLANATORY NOTE

The State is mandated to “free people from poverty through policies that provide for adequate social services, promote full employment, a rising standard of living, and an improved quality of life for all,” under Section 9 of Article II on Declaration of Principles and State Policies of the 1987 Constitution. Likewise, Sec. 9 of Article XIII on Social Justice and Human Rights, mandates the implementation of programs to “make available at affordable cost, decent housing and basic services to under-privileged and homeless citizens”.

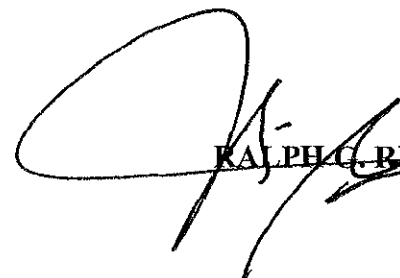

This Bill seeks to exclude an area from land that had been declared as a Military Reservation Area under Presidential Proclamation No. 938 issued on December 16, 1996. Specifically, the subject area proposed for exclusion is within nine hundred and sixty (960) hectares allotted to the Philippine Navy from out of the Naval Communication Station San Miguel of the former United States Military Bases in the Philippines.

The subject area straddles both Sitio Aldea and Purok Siete in Barangay Natividad, San Narciso town and Barangay West Dirita, San Antonio town, both in Zambales. Hundreds of families live in and till the area for more than 50 years.

However, the land issue has been put out in the open when the Philippine Navy through the Commander of the Naval Education and Training Command sent Notices ordering the residents to dismantle their houses. Thus, the local governments of San Narciso and San Antonio seek the apportionment of land in favor of the residents. The municipal governments had provided various infrastructures such as barangay offices, roads, a bridge and a clinic while the settlers built schools, churches and their houses near the fields that they till.

The resolution of the land issue will enable the local governments to proceed with the construction of other basic infrastructures and to deliver essential social services thereby ensuring the long-term development of the concerned community. Of equal importance, the residents shall be assured security to their abode and decent means of livelihood.

In view of the foregoing, approval of this Bill is earnestly sought.
