S.B. No. 3354

Introduced by Senator **TEOFISTO "TG" GUINGONA III**

EXPLANATORY NOTE

The Philippine Charity Sweepstakes Office (PCSO) is considered the "principal government agency for raising and providing funds for health programs, medical assistance and services, and charities of national character"¹ The heart and soul of the PCSO is its charitable pursuit.

The PCSO Charter allocates 30% of its net receipts to the Charity Fund. As a result of regular mandatory contributions imposed upon the PCSO by virtue of several laws and executive orders, the Charity Fund is greatly diminished. An overview of these decrees will reveal that most of the intended recipients, be it a government agency, or the implementation of a government program, does not in any way pertain to health or medical concerns. These mandatory contributions should therefore be discontinued to increased and thereby enhance PCSO's Charity Fund

PCSO's mandatory contribution pursuant to the Philippine Sports Commission pursuant to Sec. 26 of "The Philippine Sports Commission Act" should therefore be abolished.

To emphasize, the heart and soul of PCSO is its charitable pursuit. If we set aside funds for extraneous mandatory contributions prior to allocating funds for charity, then this will negate the very existence of PCSO.

In view of the foregoing, the immediate enactment of this measure is earnestly sought.
