### EXPLANATORY NOTE

The Constitution provides:

Article 2, Section 12. The State recognizes the sanctity of family life and shall protect and strengthen the family as a basic autonomous social institution. It shall equally protect the life of the mother and the life of the unborn from conception. The natural and primary right and duty of parents in the rearing of the youth for civic efficiency and the development of moral character shall receive the support of the Government.

Article 2, Section 13. The State recognizes the vital role of the youth in nation-building and shall promote and protect their physical, moral, spiritual, intellectual, and social well-being. It shall inculcate in the youth patriotism and nationalism, and encourage their involvement in public and civic affairs.

Art 15, Section 3. The State shall defend:

(2) The right of children to assistance, including proper care and nutrition, and special protection from all forms of neglect, abuse, cruelty, exploitation and other conditions prejudicial to their development;

Child care or day care is caring for a child during the day by a person other than the child's legal guardians. Day care is usually an ongoing service during specific periods, such as the parents' time at work.

Day care first appeared in France in 1840. In 1869, the Société des Crèches was recognized by the French government. Day cares were established in the United States by private charities in the 1850s. The first American day care was the New York Day Nursery, which was established in 1854.

In the Philippines, the vast majority of childcare is still performed by the parents, a nanny, or through informal arrangements with relatives, neighbors, or friends. However, private child cares centers have sprouted in cities to cater to working parents.

This bill regulates private child care centers to protect and promote the welfare of children under their care.<sup>1</sup>

1 AN ACT  
2 REGULATING CHILD CARE CENTERS

*Be it enacted by the Senate and the House of Representatives of the Philippines in Congress assembled:*

3 SECTION 1. *Short Title.* – This Act shall be known as the “Child Care Center Act.”

4 SECTION 2. *Declaration of Policy.* – It is hereby declared the policy of the State to  
5 recognize the vital role of the youth in nation-building, and to promote and protect their physical,  
6 moral, spiritual, intellectual, and social well-being. The State shall defend the right of children  
7 to assistance, including proper care and nutrition, and special protection from all forms of  
8 neglect, abuse, cruelty, exploitation, and other conditions prejudicial to their development.

9 The State also recognizes the natural and primary right and duty of parents in the rearing  
10 of the youth for civic efficiency and the development of moral character. However, parents who  
11 work outside the home are compelled to entrust the care and supervision of their children to child  
12 care centers during part of the day or for longer periods. Such child care centers shall be  
13 regulated by the State to protect and promote the welfare of children under their care.

14 SECTION 3. *Definitions.* – In this Act, the term –

9 of a license issued by the Secretary.

10 (b) If a child care center is not licensed or is used otherwise than in accordance with  
11 the terms and conditions of its license, any person who operates or takes part in the management  
12 of the child care center shall be guilty of an offense and shall be liable on conviction to a fine not

14 (2) years or to both.

15 SECTION 5. *Application for License.* – (a) An application for the issue of a license shall

17 (b) On receipt of an application, the Secretary may in his or her discretion issue a  
18 license subject to such terms and conditions as he or she may think fit to impose.

19 (c) The Secretary may refuse to issue a license if—

20 (1) the Secretary is not satisfied as to the character or fitness of the applicant to be the  
21 licensee of a child care center or, where the applicant is a body corporate, as to the  
22 character or fitness of the members of the board of directors or committee or  
23 board of trustees or other governing body of the body corporate;

24 (2) for reasons connected with the situation, construction, accommodation, staffing,

8 so by the applicant, state in writing the reasons for his or her refusal.

9 SECTION 6. *Duration of License.* – (a) On the issue of a license, the licensee shall pay a  
10 fee of such amount as may be prescribed.

11 (b) A license shall continue in force for a period of two (2) years from the date of its  
12 issue or such shorter period as may be specified in the license unless it has been previously

8 guilty of an offense and shall be liable on conviction to a fine not exceeding ten thousand pesos  
9 (P10,000.00) and to a further fine not exceeding one thousand pesos (P1,000.00) for every day  
10 during which the offense continues after conviction.

6 ensure that—
