#### EXPLANATORY NOTE

This bill seeks to amend Republic Act No. 7743, otherwise known as "An Act Providing for the Establishment of Congressional, City and Municipal Libraries and Barangay Reading Centers throughout the Philippines, Appropriating the Necessary Funds Thereof and for Other Purposes" by ensuring that all public libraries adhere to the demands of a globalized Filipino nation.

Republic Act No. 7743 was enacted to promote the moral and intellectual well being of the Filipino by increasing the literacy rate and emphasizing the significant role of education in nation-building through the establishment of public libraries and/or reading centers in all local government units.

This bill answers that need by ensuring that funds necessary to implement the law are provided for and increased annually until all cities and municipalities have access to full electronic library facilities.

Likewise, this proposed measure requires the development council of each city or municipality to ensure that their library centers and/or reading centers have the latest technological equipment needed to provide electronic library services. There is a need to equip public libraries with the latest computer and electronic library facilities to make sure that Filipino students have access to a wide variety of up-to-date learning materials.

In view of the foregoing, the immediate passage of this bill is earnestly sought.
