Senate Bill No. 542

RECEIVED BY: *jin*

INTRODUCED BY SEN. JINGGOY EJERCITO ESTRADA

EXPLANATORY NOTE

Section 389 of Republic Act No. 7160, otherwise known as the Local Government Code of 1991, gives the Punong Barangay duties similar to those of their mayors or governors. The Punong Barangay is the local chief executive exercising the basic duty of executing laws and ordinances applicable in the barangay. He likewise exercises legislative powers by presiding over the sessions of the Sangguniang Barangay in the consideration and passage of barangay ordinances. Lastly, he participates in the settling of disputes, by being the chairman of the Lupong Tagapamayapa.

However, despite the copious amount of duties that the Punong Barangay has to perform, the salary that he receives would seem inadequate, not commensurate and inappropriate for such a position.

The barangays and its officers play a very important role in our society. It is but logical and apt that they be compensated accordingly so as to reflect our recognition not only of their duties but also of their importance in local governance in particular and in society in general.

It is hereby the aim of this bill, in the spirit of justice and promoting good governance, to afford just remuneration to our barangay officials and this provide more incentives to fuel their passion in public service as well as to entice other young people to take up such office in the future.

In view of the foregoing, passage of this bill is earnestly recommended.
