S. B. No. 701

RECEIVED BY: ja

Introduced by Senator FRANCIS G. ESCUDERO

EXPLANATORY NOTE

This bill seeks to rectify what may be deemed as an unfair requirement in the practice of public accountancy.

Republic Act No. 9298 requires in addition to the board examinations for certified public accountants (CPAs) accreditation as a limitation to the practice of public accountancy. Such accreditation necessitates a three (3) year "meaningful" experience in the practice of the profession.

The standards for admission to the practice of public accountancy in the Philippines cannot be understated. The board examinations for CPAs is already a grueling task not to mention the preparations had in the study and review of accountancy.

Consequently, adding an accreditation requirement with a 3 year period condition *sine qua non* may only mean a burden among CPAs which if rightfully considered is but a superfluity.

In view of the foregoing, the immediate passage of this proposed measure is sought.
