SENATE
S. No. 728

RECEIVED BY: *ji*

Introduced by Senator Miriam Defensor Santiago

EXPLANATORY NOTE

The Constitution, Article 14, Section 1, provides:

The State shall protect and promote the right of all citizens to equity education at all levels and shall take appropriate steps to make such education accessible to all.

The government's investment in a high quality education system is necessary not only for the future of our children and our families, but also for the future of the country. An educated citizenry and workforce are essential to compete in the global strong democracy.

In order to promote prosperity and ensure individual opportunity, the government must make education a national priority. Strong leadership in education is needed more than ever.

This bill seeks to provide grants to public educational institutions, in order to allow such institutions to promote certain educational initiatives that will enhance the quality of our public educational system.¹
