SENATE
S.B. No. 688

EXPLANATORY NOTE

By virtue of the mandate of the Constitution, particularly, Section 2, paragraph 6, Article IX-B, which provides that, "Temporary employees in the government shall be given protection as may be provided by law," this bill seeks to provide protection to casual and contractual employees in government.

This bill seeks to amend sections 1 and 2 of Republic Act No. 6850, otherwise known as "An Act to Grant Civil Service Eligibility under Certain Conditions to Government Employees Appointed under Provisional or Temporary Status who have Rendered a Total of Seven Years of Efficient Service; and for Other Purposes." This legislative measure proposes to extend and grant civil service eligibility to casual or contractual employees in the government who have continuously served the government for at least five (5) years.

In spite of the long-standing years that they have devoted to government service, these non-permanent employees, more often than not, are poorly compensated, receive nominal bonuses, and are not well provided with comprehensive healthcare. It must be borne in mind that the implication of their continued service as condoned and allowed by the government, is that these employees have demonstrated competence, efficiency, and diligence in the performance of their duties.

Section 2 (2), Article IX-B of the Constitution requires that "appointments in the civil service shall be made according to merit and fitness to be determined, as far as practicable, and, except to positions which are policy determining, primarily confidential, or highly technical, by competitive examination." Just the same, it may be fair and justifiable to consider the employees' competence, efficiency, diligence, loyalty, length of service, educational attainment, and trainings attended as compliance with the standards of merit and fitness set forth in the Constitution.

In view of the foregoing, the immediate approval of this measure is earnestly requested.

LOREN LEGARDA
