#### EXPLANATORY NOTE

The Veterans Federation of the Philippines (VFP), a public corporation created by Republic Act No. 2640, as amended, has been a cornerstone in the protection and advancement of the welfare and rights of the country's veterans. It has championed their cause by pushing for meaningful reforms in the benefits accorded them by existing laws.

The VFP is composed of several persons as original members thereof, all of which are representatives of veterans' organizations. It is under the control and supervision of the Secretary of National Defense and is vested with enough powers necessary for a corporation to exist in accordance with its avowed purpose.

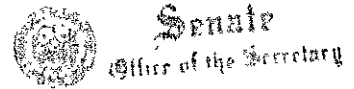

In its rich history, one of the more active organizations is the Bulacan Military Area Veterans Association led by the late BGen. Alejo S. Santos. In World War II, his command led the fight against the Japanese invasion in Central Luzon particularly in Bulacan. With courage and gallantry in battle, many of their soldiers and guerrillas died while fighting for our freedom and independence.

It is thus only fair and just to include, by amending the VFP charter, BGen. Alejo S. Santos and his Bulacan Military Area Veterans Association as one of its original members. In fact, General Alejo Santos has served the VFP in several capacities as an officer thereof. This is both in recognition and acknowledgement of their patriotism and sacrifices for the country.

In view of the foregoing, passage of this bill is earnestly sought,
