**EXPLANATORY NOTE**

The Barangay Tanods are the partners of our local police in the maintenance of our local peace and order and in the promotion of public safety in every barangay. Their jobs require them to be on call twenty-four (24) hours a day. They are always in the front lines whenever there is a disturbance in the barangay. They bravely face hazards despite their lack of arms and defenses and faithfully perform the tasks they swore to discharge.

It is very unfortunate, however, that our existing laws have not fully recognized their sacrifices and worth to our communities. Although they are given some benefits, these are not enough to commensurate with the risk they encounter in the performance of their duties.

This proposed measure seeks to increase the benefits presently received by our Barangay Tanods by providing them with Christmas Bonus equivalent to one-half (1/2) of what the present Punong Barangay is receiving; insurance coverage equivalent to three-fourth (3/4) of what the Punong Barangay is receiving; free legal services from government lawyers for criminal or civil cases filed against them in the performance of their duties; fifty percent (50%) discount in tuition and matriculation fees for his legitimate and legally adopted children attending any state colleges and universities; and preference in the availment of and or membership in barangay livelihood and development projects.

The upgrading of the benefits and incentives afforded to our Barangay Tanods recognizes the vital role that they play in the maintaining peace and order and social stability in our barangays.

In view of the foregoing, the immediate approval of this bill is earnestly sought.
