#### Introduced by Senator Antonio "Sonny" F. Trillanes IV

#### EXPLANATORY NOTE

This bill is being submitted bearing in mind the policy of the State to protect the interest of the people for clean, pure, and healthy food. Likewise, the recognition that the government must ensure compliance with international standards of good manufacturing and hygienic practices by institutionalizing a Halal System for food, non-food products and services is one way of fulfilling the commitment with the State policy. Most important of all is the fact that this bill is accorded in recognition and respect to the rich tradition and way of life of the Filipino Muslims.

Among the highlights of this legislation are to wit:

- The establishment of a Philippine Halal Accreditation and Regulatory Board which will be responsible for the formulation, drafting, management, and implementation of programs relevant to manufacturing, production, distribution, preparation, handling, storage, and verification of halal approved-food, non-food, merchandise and services;
- The provision of information to the people of the basic culture characterizing the Muslims society, which includes 1) that food or products or their ingredients must not contain any components of animals and carrion that are prohibited under Sharia'h Law or animals not slaughtered according to the Sharia'h Law; 2) that the food or product does not contain ingredients that are considered Haram or Najis by Sharia'h Law; 3) that the food or products is not prepared, processed, or manufacturing using equipment that has been contaminated with Haram or Najis; 4)that the labelling of products that are certified as Halal or its equivalent term and should not be used in ways which could give rise to doubt about safety of similar food or to claims that Halal foods are nutritionally superior to or healthier than other foods;
- The institutionalization of a national standard at par with the world accepted Halal standards ordained in advanced Muslim societies and that the same shall be observed in all abattoirs, outlets, hotels, restaurants, and other service establishments.

In view of the foregoing, early cognizance of this bill and earnest immediate enactment is requested.
