INTRODUCED BY SEN. JINGGOY EJERCITO ESTRADA

EXPLANATORY NOTE

Section 5 of Article II of the Constitution provides that "*the maintenance of peace and order, the protection of life, liberty and property, and the promotion of general welfare are essential for the enjoyment by all the people of the blessing of democracy.*" Further, Section 11 of Article II provides that "*the State shall value the dignity of every human person.*"

This bill seeks to protect individuals and their families by prohibiting unwarranted harassment or invasion of privacy for commercial purposes. It is unfortunate that the privacy of individuals and their families have been violated by photographers, videographers and audio recorders who physically trespass to capture images or other reproductions of their private lives for commercial purposes.

In view of the foregoing, approval of this measure is earnestly sought.
