Senate Bill No. 1600

RECEIVED BY: *ja*

INTRODUCED BY SEN. JINGGOY EJERCITO ESTRADA

EXPLANATORY NOTE

When those who are called upon to administer justice are themselves denied of their right to due process of law, security of tenure and the equal protection of the law, something must be done in order to redress their grievances. Otherwise, dissension will arise among the ranks of those who are considered as sentinels of truth and justice.

When Batas Pambansa Bilang 129 was being drafted, it envisioned changes that will redound to the benefit, improvement and interest of the Judiciary. Those who drafted it did not anticipate the situations wherein the cause of the gap in the judicial service can not be attributed to the justice or judge. It is to be noted that when "courtesy resignation" were made in the light of the Judiciary Re-Organization implemented on February 1, 1981, the same were made out of respect only. It does not necessarily reflect the true sentiments of the concerned judges.

Having practically spent the best years of their lives in the service of the country, they do not deserve such unjust treatment by the government they have so faithfully served. There is therefore a need to rectify through legislation the wrong inflicted upon the members of the bench affected by such provision.

This bill seeks to cure the inequity brought about by Section 42 of Batas Pambansa Bilang 129, particularly on the term, "continuous" as the same did not anticipate certain situations wherein the gap in service is due to unforeseen and fortuitous events not attributable to the judge or justice.

In view of the foregoing, the immediate passage of this bill is earnestly requested.
