Senate Bill No. 1685

INTRODUCED BY SEN. JINGGOY EJERCITO ESTRADA

EXPLANATORY NOTE

Under Section 325 (a) of the Local Government Code of 1991, it is provided that the total appropriations, whether annual or supplemental, for personal services of a local government unit for one (1) fiscal year shall not exceed forty-five percent (45%) in the case of first to third class provinces, cities, and municipalities, and fifty-five percent (55%) in the case of fourth class or lower, of the total annual income realized in the next preceding fiscal year.

The term "personal services" is a broad term which includes such items as representations, travel and other allowances, bonuses, and the like, which when taken together with the basic salaries or wages of employees, amount to a sizable sum.

This restricts the local government units (LGUs) which cannot appropriate for "personal services" in excess of the limitations in said Sec. 325 (a) of the Local Government Code of 1991.

It is the purpose of this bill, therefore to amend the provisions of Section 325 (a) of the Local Government Code by substituting "salaries and wages" for the term "personal services" in said section, so that the percentage ceilings in the appropriations of the local government units for personal services for one (1) year will now be based on salaries and wages only, thereby allowing said LGUs a wider elbow room in determining the allocations in their local annual budgets in keeping with the concept of local autonomy.
