S. B. No. **1725**

INTRODUCED BY SENATOR SONNY ANGARA

EXPLANATORY NOTE

Thirty years ago, Hong Kong was considered as one of the most corrupt countries in Asia. It is now perceived as among the least corrupt countries in Asia. On the other hand, the Philippines is now perceived as one of the most corrupt in the world.

World Bank studies conclude that the most important factor in the Hong Kong experience was the establishment of the Independent Commission Against Corruption (ICAC) in 1974. In comparison to the budget allocated to ICAC, the budget of the Office of the Ombudsman and other support anti-graft agencies pales.

The Office of the Ombudsman is hindered to fulfill its mandate of combating corruption due to funding and resource limitations. Furthermore, with the disposition of cases going at a snail's pace, corruption continues to go unhampered leading to massive losses in government revenue which remain unaccounted for.

This bill intends to aid the Office of the Ombudsman in the fulfillment of its mandate by augmenting the financial resources of the Ombudsman. It seeks to provide more funding to the Ombudsman by giving it a share in any property forfeited in favor of the State under Republic Act No. 1379, otherwise known as the Forfeiture Law.

It will provide a mechanism wherein 30% of the value of forfeited assets shall be used as funding for the Ombudsman that will assist the continued progress of cases. The percentage method will also ensure that the additional funding to the Ombudsman shall not lead to a loss for the government. It is hoped that with these extra funds the Ombudsman will be able to effectively perform its mandate.

The delivery of justice to our people, especially when the hard-earned money they pay for taxes is being misused by unscrupulous officials, can only be achieved when we arm the appropriate government agencies with the resources for this.

In view of the foregoing, approval of this bill is earnestly sought.
