EXPLANATORY NOTE

The Constitution, Article II provides:

Section 17. The State shall give priority to education, science and technology, arts, culture, and sports to foster patriotism, nationalism, accelerate social progress, and promote total human liberation and development.

The Administrative Code, Presidential Decree No. 442 or the "Labor Code of the Philippines," and Republic Act No. 8187, or the "Paternity Leave Act of 1996," provide for instances when an employee can officially take a leave of absence with pay.

This bill seeks to allow employees to take a limited leave to participate in the academic school activities of their children or to participate in literacy training. This is in recognition of the fact that parents play a very important role in the advancement of their children's education.*
