

SIXTEENTH CONGRESS OF THE REPUBLIC)
OF THE PHILIPPINES)
First Regular Session)

73 OCT -3 P5 50

SENATE
S. No. 1809

RECEIVED BY: *ji*

Introduced by Senator Miriam Defensor Santiago

EXPLANATORY NOTE

The Constitution, Article II, Section 5 provides:

The maintenance of peace and order, the protection of life, liberty and property, and the promotion of the general welfare are essential for the enjoyment by all the people of the blessings of democracy.

Millions of Filipinos live and work overseas while continuing to vote and pay taxes in the Philippines. They help in the economy and serve as economic, political and cultural "ambassadors" of the country.

Hence, the National Statistics Office should undertake a census of all Filipinos residing abroad in a special census and eventually in regular censuses as they, albeit living abroad, deserve to receive the same benefits and privileges local residents get.

This bill seeks to provide for an interim census of Filipinos residing abroad for the purpose of eventually including them in regular censuses.*
