

SEVENTEENTH CONGRESS OF THE REPUBLIC)
OF THE PHILIPPINES)
First Regular Session)

SENATE

S. No. 240

Introduced by Senator GREGORIO B. HONASAN II

AN ACT TO GIVE JURIDICAL PERSONALITY TO THE PRESENT VETERANS MEMORIAL MEDICAL CENTER (VMMC) AND FOR OTHER PURPOSES

EXPLANATORY NOTE

In recognition of the heroism exemplified by our Filipino soldiers during World War II, the 80th Congress of the United States of America passed Public Land Law 865 on 8 July 1948 which provided \$9.4 million for the construction and establishment of a hospital facility presently known as the Veterans Memorial Medical Center. (VMMC)¹

The VMMC is mandated, among others, to provide the best possible medical care and treatment to eligible veterans and their dependents.² This, however, may not be fully realized as the hospital is primarily dependent on the available funds appropriated by the national government. Under the General Appropriations Act of 2016, the hospital's total budget allocation for FY 2016 is One billion, sixty-eight million, eighty-five thousand pesos (P1,068,085,000.00). This amount represents a measly .91% of the total budget of the Department of National Defense (DND).

Under this proposed measure, it is hereby declared the policy of the State to strengthen, promote and support the undertaking of the VMMC in order to render premium medical services to the veterans and their dependents through a comprehensive health care system characterized by excellence, dedication and commitment

In order to achieve this avowed policy, this bill primarily seeks to provide juridical personality to the present VMMC to preserve its viability and continued existence. It is also provided in the bill that a Board of Trustees composed of five (5) members shall govern, direct and control and manage the activities of the VMMC.

In view of the foregoing, immediate passage of this bill is earnestly requested.

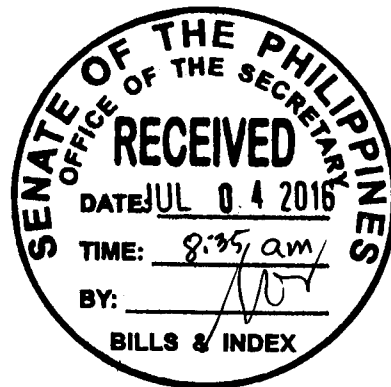

GREGORIO B. HONASAN II
Senator
