SENATE

S.B. No. 243

Introduced by SENATOR LOREN LEGARDA

AN ACT AMENDING REPUBLIC ACT NO. 8972, OTHERWISE KNOWN AS THE SOLO PARENTS' WELFARE ACT OF 2010, PROVIDING FOR ADDITIONAL BENEFITS ON BASIC COMMODITIES, AND FOR OTHER PURPOSES

Explanatory Note

Republic Act No. 8972, otherwise known as the Solo Parents' Welfare Act, provides for the remuneration and privileges of a solo parent. Said law mandates the Department of Social Welfare and Development (DSWD) to assist solo parents through social development and welfare services such as livelihood development services, counseling services, parent effectiveness services, critical incidence stress debriefing and other special projects for individuals in need of protection.

Even with these privileges, double hardship still saddles solo parents. They perform parental duties single-handedly in the face of economic turmoil characterized by skyrocketing prices, poverty and massive unemployment. As such, there is a necessity to amend the existing law to address the financial concerns of solo parents amidst the economic difficulties that the country is experiencing.

This bill aims to provide additional support and benefits to solo parents. Such benefits include:

1. Ten percent (10%) discount from all purchases of clothing and clothing materials for the child for two (2) years from child birth;
2. Fifteen (15%) discount from all purchases of baby's milk, food and food supplements;
3. Fifteen (15%) percent discount from all purchases of medicines and other medical supplements/ supplies for the child; and
4. Basic personal exemption from individual income tax.

The enactment of this proposed measure will help lessen the financial burden carried by solo parents by affording them additional remuneration. Through this, we are assisting the solo parents to be able to provide a better future for their children. In view of the aforementioned, the passage of this bill is sought.
