**AN ACT**  
**PROVIDING FOR THE REGISTRATION, LICENSURE AND PRACTICE OF FOOD**  
**TECHNOLOGY IN THE PHILIPPINES, PROVIDING FUNDS THEREFOR, AND**  
**FOR OTHER PURPOSES**

**EXPLANATORY NOTE**

Aside from food production, the assurance that food is safe and protected from any harmful substance or spoilage is man's perennial quest for healthy living. To achieve this objective, it is important to recognize the importance of food technologists in nation-building. As envisioned in this bill, the country shall endeavor to develop and nurture competent, virtuous, productive, and well-rounded professional food technologists, whose standards of practice and service shall be excellent, world-class and globally competitive through inviolable, honest, effective and credible licensure examinations and through regulatory measures, programs and activities that foster their continuing professional growth.

This bill updates and redefines the practice of food technology as

*"as not being limited to the specification of raw materials and supervision of their procurement; supervision of production; product quality assurance; quality control; quality improvement and product evaluation; including the evaluation of the microbiological, physical, chemical, and functional properties of food, and the conduct of basic and applied research towards development and/ or improvement of the safety and quality of food toward products."*

It shall also include teaching, lecturing and reviewing of subjects in Food Technology.

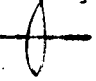

Salient provisions of this measure include the provision for foreign reciprocity which allows food technologists from the Philippines to practice their profession overseas on the condition that we shall accord the same privilege to foreign nationals. This bill, in general, aims to adapt the food technologists profession to the requirements of the modern age.

In view of the foregoing, the passage of this bill is earnestly sought.

  
ANTONIO "SONNY" F. TRILLANES IV

18 knowledge of the Board, and for this purpose, to issue *subpoena duces tecum*  
19 to secure the appearance of witnesses and the production of documents in  
20 connection therewith: *Provided*, That the decision of the Board shall, unless  
21 appealed to the Commission, become final and executory after fifteen (15)  
22 days from receipt of judgment or decision;
- 23 k) Prescribe guidelines and criteria in the Continuing Professional Development  
24 (CPD) program for food technologists;
- 25 l) Adopt a program for the full computerization of the licensure examination;

- 1 m) Prepare, adopt, and issue the syllabi of the subjects for examinations by  
2 determining and preparing the questions which shall strictly be within the  
3 scope of the syllabus of the subject for examination;
- 4 n) Grant registration without examination subject to approval by the  
5 Commission;
- 6 o) Issue special permits to persons admitted to the practice of food technology for  
7 a specific duration of time, and certificates of recognition for advanced studies  
8 researches and accomplishments that contribute to the enrichment of the  
9 profession; and,
- 10 p) Discharge such other powers and functions as the Board may deem necessary  
11 for the practice of the profession and the upgrading, enhancement,  
12 development, and growth of food technology in the Philippines.

13 The policies, resolutions, rules and regulations, orders or decision issued or  
14 promulgated by the Board shall be subject to the review and approval of the Commission.

15

16 **SEC. 6. *Qualifications of the Chairman and Members of the Board.*** - The Chairman

4           The Board may revise or exclude any of the above subjects and add new ones in case  
5 a need arise.

6  
7           **SEC. 15. Examination Fees.** – Every applicant admitted to take the food technology  
8 examination shall pay such fees as may be prescribed by it before he or she is allowed to take  
9 the examination.

10  
11           **SEC. 16. Report of Rating and Release of the Results of Examination.** – The Board  
12 shall complete the correction of examination papers within ten (10) days from the last day of  
13 the examination. The commission shall report the rating of the examinees not more than ten  
14 (10) days after the board has completed the correction of examination papers.

15  
16           **SEC. 17. Ratings in the Examination.** - To pass the licensure examination, a  
17 candidate for food technologist must obtain a passing rating of seventy five percent (75%) in  
18 each subject given during the examination: *Provided, however,* That, a candidate who obtains  
19 a passing rating in the majority of the subjects but obtains a rating in the other subject/s  
20 below seventy five percent (75%) but not lower than sixty percent (60%), shall be allowed to  
21 take one removal examination on the subject/s where he failed to obtain the passing rating.  
22 *Provided, finally,* That should the examinee fail to obtain a passing rating in the removal  
23 examination, he shall be considered as having failed the entire licensure examination.

24

1           **SEC. 17. Issuance of the Certificate of Registration and Professional Identification**

2   **Card.** – A certificate of registration shall be issued to examinees who pass the licensure  
3 examination for food technologists subject to payment of fees prescribed by the Commission.  
4 The certificate of registration shall bear the signature of the Chairman of the Commission and  
5 the Members of the Board, stamped with the official seal, indicating that the person named  
6 therein is entitled to practice the profession with all the privileges appurtenant thereto. This  
7 certificate shall remain in full force and effect until revoked or suspended in accordance with  
8 this Act.

9           A professional license bearing the registration number, date of issuance, expiry date,  
10 duly signed by the Chairman of the Commission, shall likewise be issued to every registrant  
11 who has paid the required registration fees. This license will serve as evidence that the  
12 licensee can lawfully practice his profession until the expiration of its validity.

13  
14           **SEC. 18. Refusal to Register.** - The Board shall not register any successful examinee  
15 who has been convicted by a court of competent jurisdiction of any criminal offense  
16 involving moral turpitude or has been found guilty of immoral or dishonorable conduct after  
17 investigation by the Board, or has been declared to be of unsound mind. The reason for the  
18 refusal shall be set forth in writing.

19           **SEC. 19. Registration Without Examination.** - The Commission shall issue a  
20 certificate of registration and professional license to the Chairman and members of the first  
21 Board of Food Technology and to those who, on the date of the effectivity of this Act, have  
22 passed the examination for food technologists given by the Civil Service Commission.

23           The same privilege shall be granted to qualified applicants who shall apply for  
24 registration without taking the prescribed licensure examination and who are holders of a

1 Bachelor's Degree in Food Technology or allied fields of Nutrition, Agriculture,  
2 Biochemistry or Molecular Biology, Chemistry, Fishery, Chemical Engineering, and who  
3 have been actively practicing the profession of food technology for a period of at least five  
4 (5) years immediately preceding the effectivity of this Act.

5 Qualified applicants shall file their applications in the form prescribed for the purpose  
6 no later than two (2) years from the date of the effectivity of this Act.

7  
8 **SEC. 20. *Revocation or Suspension of the Certificate of Registration and***  
9 ***Cancellation of Special Permit.*** - The Board may, after giving proper notice of hearing to the  
10 party concerned, revoke the practitioner's certificate of registration, suspend him from the  
11 practice of his profession, or cancel his special permit for any unprofessional or unethical  
12 conduct, malpractice, or violation of any of the provisions of this Act, its rules and  
13 regulations, the Code of Ethics, and the Code of Technical Standards for food technologists.

14  
15 **SEC. 21. *Reinstatement, Reissuance or Replacement of Certificate of Registration***  
16 ***and Professional License.*** - Two years after the date of revocation, the Board may, upon  
17 application and for reasons deemed proper and sufficient, reinstate any revoked certificate of  
18 registration and reissue a professional license, and in so doing, may, in its discretion, exempt  
19 the applicant from taking another examination.

20 A new certificate of registration or professional license or special permit, to replace  
21 lost, destroyed or mutilated ones may be issued subject to the rules as implemented by the  
22 Board.

23 **SEC. 22. *Roster of Food Technologists.*** - The Board shall prepare, update, and  
24 maintain a roster of food technologists which shall contain the name of each registered food  
25 technologist, his residence and office addresses, the date of registration and issuance of

1 certificates, and other data which the Board may deem pertinent. The roster shall be open to  
2 the public, copies of which shall be mailed to each person listed therein.

3

4 **SEC. 23. Issuance of Temporary or Special Permits.** – Without prejudice to the  
5 requirements of existing laws on the practice by foreigners in the Philippines, the following  
6 foreigners may be issued temporary or special permits to practice food technology in the  
7 Philippines. *Provided, However,* That this practice of the profession shall be limited to the  
8 particular work for which they are commissioned: *Provided, Further,* That the said temporary  
9 or special permit shall be renewed every year:

10 a. Food scientists or technologists called to the Philippines to provide consultancy  
11 services;
