SEVENTEENTH CONGRESS OF THE REPUBLIC OF THE PHILIPPINES

First Regular Session

RECEIVED BY:

SENATE

s. No. _573

Introduced by Senator Antonio "Sonny" F. Trillanes IV

AN ACT CREATING A CARNAP PREVENTION PROGRAM, ESTABLISHING A CARNAP PREVENTION ADVISORY BOARD, AND FOR OTHER PURPOSES

EXPLANATORY NOTE

In the recent years, carnapping has become a serious concern in the Philippines. In fact, it is attributed as one of the reasons for the rising incidents of crime rate in the country. Carnapping is characterized by the boldness of the suspects to commit the act which are sometimes constituted with violence. Thus, a comprehensive anti-carnapping program is needed in order to reduce the incidence of carnapping and to increase the apprehension of professional carnappers.

This bill seeks to establish a Carnap Prevention Program with the end in view of implementing nationwide plans, programs, and strategies to combat carnapping, improve the administration of the anti-carnapping laws, and provide a forum for identification of critical problems for those persons dealing with carnapping.

Further, the Carnap Prevention Advisory Board shall be charged to assist in the prevention and deterrence of carnapping and related crimes, including vandalism and theft of property from the vehicles in the country. It shall henceforth seek to improve and support anti-carnap law enforcement, prosecution, prevention, and education and juvenile diversion programs by establishing nationwide planning capabilities and coordination of dedicated funding sources.

In view of the foregoing, the early passage of this bill is earnestly sought.

ANTONIO 'SONNY" F. TRILLANES IV
