AN ACT

**IMPOSING RECIPROCITY AS A REQUIREMENT BEFORE ALLOWING
FOREIGN NATIONALS TO PRACTICE THEIR PROFESSIONS IN THE
PHILIPPINES TO PROTECT THE INTERESTS OF FILIPINO PROFESSIONALS
AND FOR OTHER RELATED PURPOSES**

EXPLANATORY NOTE

As a member in good standing of the Association of Southeast Asian Nation (ASEAN) and the family of nations, we should be ready to comply with our multilateral obligation to allow the exchange and practice of professionals from ASEAN countries in our country, in preparation for the full integration of the ASEAN economies.

Moreover, in order to broaden career opportunities for Filipino professionals, we must be ready to reciprocate the initiative of other countries to allow our nationals to practice their professions in other states, countries and/or territories.

This bill seeks to institutionalize the policy of allowing foreign professionals to practice in the Philippines but subject to the requirement of reciprocity, as a measure to protect the interest of Filipino professionals. Under the provisions of this Act, professionals from other states, countries or territories shall be allowed to practice in the Philippines only if the country, state or territory where they are registered as such also allow Filipino professionals in the same field to practice their profession within their territorial jurisdiction on the same as the citizens/subjects of such foreign country, state or territory.

In the long run, it is earnestly believed that this policy will prepare our home grown professionals to be at par with their international counterparts and help them become globally competitive. This representation believes that we are not only widening the opportunities of Filipino professionals who will benefit from this proposal but we are putting them in a place where they can learn more from their peers and counterparts from other countries, be it inside or outside of our country.

Hence, the immediate passage of this measure is earnestly sought.
