AN ACT  
AMENDING SECTIONS 7, 10, 23, 30, 31, 42 AND 52 OF REPUBLIC ACT NO.  
8291, OTHERWISE KNOWN AS THE GSIS ACT OF 1997

EXPLANATORY NOTE

This is an amendatory bill, which seeks to propose changes in Republic Act No. 8291, the law which amended Presidential Decree No. 1146.

The proposed amendments in RA No. 8291, otherwise known as the "GSIS Act of 1997," as a whole is an effort to redress the said law's ineffective implementation, particularly in responding to the needs of teachers who comprise the largest group in terms of membership in the GSIS.

Documented reports on discourteous and grossly inefficient services by GSIS officials and employees resulting to un-updated records, premiums and loan payments, missing submitted records, delayed release of loans/pensions and billing statements, unreleased dividends, never issued policy contracts to the newly-hired and insufficient information dissemination have reached crisis proportions and to an ever increasing distrust and dissatisfaction towards GSIS in the process.

These complaints ranged from policies and rules enacted by the GSIS, which are unjust, vague, contrary to law or downright detrimental to the interests of not only DepEd (Department of Education) but all its members.

Proposals to amend certain sections in the present law include Sections 7, 10 and 23 if only to recompense the improper computation of service including the charging of interests/surcharges/penalties on late remittances. Coverage of benefits by GSIS needs to be adjusted to make them at par with the costs of living compounded by the escalating inflation rate. Protecting teachers' claims is but one of the purpose of the bill. Another additional essential proposal is enhancement to the law's penalty clause to ensure that persons may be held accountable for prohibited acts committed.

Second, with the proposed amendment of Sections 30 and 31, it likewise broadens the prerogative of concerned parties, especially members, in the settlement of disputes covered by the law by giving the Regional Trial Court (RTC) concurrent jurisdiction with the GSIS.

Lastly, this bill seeks to increase the representation of the DepEd in the Board of Trustees (board).

From one (1) present member who is either the President of the Philippine Public School Teachers' Association (PPSTA) or Philippine Association of School Superintendents (PASS), the membership of the DepEd in the GSIS board would be increased to five (5), consisting of the President of the PPSTA, President of the PASS, the DepEd Secretary, the President of the Association of DepEd Directors (ADD) and the President of the Administrative Officers Association of DepEd (ADADE).

The increase in DepEd membership in the GSIS board is long overdue considering that out of the present one million four hundred thousand (1.4 M) GSIS members, five hundred sixty three thousand six hundred fifty six (563,656), the total number of DepEd teachers and personnel for SY 2007-08, or forty percent (40%) thereof, consists of DepEd teachers and personnel. Per DepEd data, this number of DepEd teachers and personnel is even projected to increase yearly with the projected increase in the establishment and/or construction of pre-elementary, elementary and secondary schools and the hiring of much needed teachers.

The DepEd should be amply represented in the GSIS board to fully protect the interests of its teachers and personnel. It is high time that teachers' voices be heard in the board. The GSIS has long been deluged with complaints from teachers, which were and are still not being addressed by the GSIS.

In view of the foregoing, immediate approval of this bill is earnestly sought.
