**AN ACT  
AMENDING REPUBLIC ACT NO. 4200, OTHERWISE KNOWN AS AN ACT TO  
PROHIBIT AND PENALIZE WIRETAPPING AND OTHER RELATED  
VIOLATIONS OF THE PRIVACY OF COMMUNICATION, AND FOR OTHER  
PURPOSES**

**EXPLANATORY NOTE**

Our vision of a drug-free Philippines is far from arms reach.

In a Nationwide Survey made by the Dangerous Drugs Board in 2012, there are roughly 1.7 million Filipinos engaged in illicit drug abuse. Said figure carries with it vast and grave implications on our society: crime, health and infectious diseases, education, and the overall psychological welfare of the Filipino people. Moreover, mortality rates due to illicit drug abuse have been steadily rising.

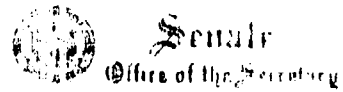

The ills and influence of illicit drug abuse know no name, age or social status. Globally, studies indicate that there is an alarming trend with regard to illicit drug use among the youth, with the latter experiencing a steep increase in terms of illicit drug abuse. Moreover, the trend reflects that the youth's perceived risk of drugs, such as cocaine and marijuana, is beginning to decline. These impact to our society down to the smallest family unit especially the youth who personify the very ambition and promise of our nation. They cannot remain vulnerable to the harmful effects of illicit drugs while its distribution and availability are practically becoming more rampant and seemingly unrestrained.

Thus, in continuous deliberation with legal experts and members of the academe, balancing the relevance of this legislation with its implications in the fundamental principle of due process, this bill seeks to provide greater and significant assistance to our law enforcement agencies for the implementation of Republic Act 9165 or the Dangerous Drugs Act.

In view of the foregoing, an immediate discussion on the matter and eventually, the passage of a legislative measure in this concern is earnestly sought.

  
GRACE POE
