RECEIVED BY: 

Introduced by Senator Poe

AN ACT
PRESCRIBING ELECTRONIC OR ONLINE MODALITIES FOR THE
PROMULGATION OF LAWS, RESOLUTIONS, RULES AND OTHER ISSUANCES,
AMENDING FOR THE PURPOSE SECTION 18, 24 AND 25 CHAPTER 5, BOOK 1
OF EXECUTIVE ORDER NO. 292 OTHERWISE KNOWN AS THE
ADMINISTRATIVE CODE OF 1987

Explanatory Note

The 1987 Philippine Constitution recognizes the right of the people to information on matters of public concern.¹ Moreover, the same provision in the Constitution affords access to official records and to documents and papers pertaining to official acts, transactions, or decisions, as well as to government research data used as basis for policy development, subject to such limitations as may be provided by law.²

Republic Act No. 386, otherwise known as the Civil Code of the Philippines, sets the effectivity of laws to fifteen days following the completion of their publication in the Official Gazette, unless otherwise provided.³ With the legal maxim of "Ignorance of the law excuses no one," notice and publication of laws have become necessary.

However, limited access to and knowledge of the Official Gazette denies the public of their Constitutional right to information. Thus, Executive Order No. 292, otherwise known as the Administrative Code of 1987, mandated the publication of laws in at least two newspapers of general circulation as an alternative to their publication in the Official Gazette.

¹ Section 7, Article III, 1987 Philippine Constitution.

² *Ibid.*

³ Section 2, Civil Code of the Philippines.

In this day and age, the internet has become a more efficient medium for information dissemination. This bill thus seeks to mandate the publication of laws in the online edition of the Official Gazette over and above publication in newspapers of general circulation. This is a way to utilize technological advancement to enable the people to utilize the right to information.

Hence, immediate passage of this bill is earnestly sought.

GRACE POE
