S. B. No. 1042

RECEIVED BY: 

Introduced by Senator Maria Lourdes Nancy S. Binay

AN ACT STRENGTHENING THE RIGHTS OF DOMESTIC WORKERS TO ACCESS TO
EDUCATION AND TRAINING, AND OTHER FORMS OF ADVANCEMENT, BY
GRANTING EMPLOYERS TAX INCENTIVES, AND FOR OTHER PURPOSES

EXPLANATORY NOTE

The State recently enacted Republic Act No. 10361, or more popularly known as the "Kasambahay Law", instituting policies to protect the welfare of domestic workers. Section 9 of Kasambahay Law declares the right of domestic workers to education and training, thus:

Section 9. *Right to Education and Training.* – The employer shall afford the domestic worker the opportunity to finish basic education and may allow access to alternative learning systems and, as far as practicable, higher education or technical and vocational training. The employer shall adjust the work schedule of the domestic worker to allow such access to education or training without hampering the services required by the employer.

As a means to strengthen the right of domestic workers to access to education and training in the pursuit of advancement and their self-actualization, and to encourage employers to participate in the State's endeavor to elevate the lives of domestic workers, this bill proposes to grant tax incentives to employers who pay for tuition fee and other related expenses for the education and/or training of the domestic worker.

In view of the foregoing, the passage of this bill is earnestly recommended.

MARIA LOURDES NANCY S. BINAY
