SENATE BILL NO. 1385

INTRODUCED BY SENATOR JOSEPH VICTOR G. EJERCITO

AN ACT
AMENDING CHAPTER 2, TITLE V OF EXECUTIVE ORDER
NO, 209, OTHERWISE KNOWN AS THE FAMILY CODE OF THE
PHILIPPINES

EXPLANATORY NOTE

This bill seeks to amend the provisions on Family Home as embodied in Executive Order 209, otherwise known as the Family Code of the Philippines. The main feature of this bill is the exemption of the family home from the payment of real property taxes.

This kind of property tax imposes undue burdens upon the family that is the core unit of society. It is submitted that imposing real property tax on the family home violates the constitutional mandate that ensures the protection of the Filipino's welfare.

The purpose of the family home is to provide shelter, which is a basic family need. The imposition of a real property tax on the family home makes it difficult for many individuals maintain a shelter for their families.

Another feature of this bill is the increase of the value of each family home exempt from execution, forced sale, attachment, and from the payment of real property taxes.

Since the passage of the family code, there has been a dramatic drop in the value of family home exempt from such impositions in conformity with the changing times.

This bill, if enacted, will alleviate the plight of many Filipinos who have found it almost impossible to build a home of their own.

For the reasons stated above, the early passage of this bill is earnestly requested.
