AN ACT  
ESTABLISHING A SECURITIES AND EXCHANGE COMMISSION (SEC) OFFICE IN  
KORONADAL CITY AND APPROPRIATING FUNDS THEREFOR

EXPLANATORY NOTE

The Securities and Exchange Commission (SEC) governs the capital and corporate market infrastructure in the Philippines. Apart from ensuring free, fair, and competitive business environment, the national government regulatory agency also crafts speedy and systematic mechanisms to guarantee convenience in investment processes.

Region XII, otherwise known as SOCCSKSARGEN, has become a flourishing business hub in Southern Mindanao and neighboring provinces as business opportunities expanded brought by tourism and thriving local market. General Santos City, for instance, has been consistently included in the list of "most business-friendly" local government units.

With the overwhelming increase of private investors in the SOCCSKSARGEN, it is compelling to create a Securities and Exchange Commission office in the region to further encourage economic development rather than dissuade investors due to inconvenience brought by the absence of a governing body that can immediately cater the business investors' needs.

The SEC office shall be situated in Marbel, South Cotabato, being the provincial trading hub of the region.

In view of the foregoing, approval of this bill is earnestly sought.
