REC. \_\_\_\_\_

Introduced by Senator JOEL VILLANUEVA

AN ACT INCREASING THE SERVICE INCENTIVE LEAVE OF  
EMPLOYEES, AMENDING FOR THE PURPOSE ARTICLE 95 OF  
PRESIDENTIAL DECREE NO. 442, AS AMENDED, OTHERWISE  
KNOWN AS THE LABOR CODE OF THE PHILIPPINES

EXPLANATORY NOTE

Article 95 of the Labor Code currently grants every employee who has rendered at least one year of service to a yearly service incentive leave of only five days with pay.

Recent studies have shown, however, that taking leaves increases the productivity of workers, improves employee morale, fosters stronger employee retention and gives significant health benefits. Meanwhile, some research also suggests that the cost of paid leaves to employers is very little, "in terms of temporary employee replacement costs or overtime paid to existing employees and has few if any costs—and potentially gains—in terms of employee morale and productivity."<sup>1</sup> In fact, in the Philippines, private companies often give vacation and sick leaves to their employees, above the mandatory five-day service incentive leave under the Labor Code, as an additional benefit.

Given the benefits of giving paid leaves to employees, this bill seeks to increase the mandatory 5-day service incentive leave under the Labor Code to 10 days

The immediate passage of this bill is earnestly sought.
