S. B. No. 1299

Introduced by Senator JOEL VILLANUEVA

AN ACT
PROVIDING THAT 100% OF THE SERVICE CHARGE COLLECTED
IN HOTELS AND OTHER ESTABLISHMENTS BE DISTRIBUTED TO
ALL COVERED EMPLOYEES AND FOR OTHER PURPOSES

EXPLANATORY NOTE

Currently, Article 96 of the Labor Code provides that employees are entitled to only 85% of the service charge paid by customers in hotels, restaurants and similar establishments. This bill seeks to address the concerns of the workers in these industries to distribute 100% of the service charge collected among the covered employees.

This bill also seeks to echo the call in other parts of the world. For example, in the Union Kingdom, a survey conducted by the labor organization *Unite* revealed that approximately 90% of those who participated in the survey supports a bill that give staff 100% ownership rights over their hard earned tips.

This bill is also in line with the provisions of Article II, Section 18 of the Philippine Constitution, which provides that the State shall protect the rights of workers and promote their welfare.

The immediate passage of this bill is earnestly sought.
