Dear Dep. Sec. Bellen,

I was informed by Atty. Aris Liwag, the Chief-of-Staff of Sen. Recto that the Senator wishes to sign the committee report on the Cityhood of Sto. Tomas, Batangas. The committee report, which I already filed last Thursday, December 14, was routed to their office and in Plenary before the filing, but unfortunately, the Senator was not able to sign it.

In this regard, may I request that I retrieve same committee report to have Sen. Recto sign it. Rest assured, I will return it the committee report to the Bills and Index Service, immediately after.

Thank you, Dep. Sec. Bellen.
