EXPLANATORY NOTE

The Penal Code, Article 245, penalizes a public officer who solicits or makes immoral or indecent advances to any person under his custody or interested in matters pending before him. This provision has a very limited coverage as it excludes other public officers who use and abuse their public office in order to satisfy their lust or sexual perversion.

This bill seeks to expand the coverage of Article 245 by including acts constituting sexual harassment committed by public officials.

This bill is a product of the public hearings conducted by the Committee on Constitutional Amendments, Revision of Codes and Laws during the Tenth Congress.
