**AN ACT**  
**ESTABLISHING THE FOREST BOUNDARY OF THE PROVINCE OF TARLAC**

EXPLANATORY NOTE

Tarlaceños have a lot to be proud of, like the province's vast agricultural and forest lands, that provides us with a range of natural and physical resources like coal and iron, vegetables and fruits, logs, sand and rocks, and livestock and forest animals.

It is this abundance of resources that helped the province of Tarlac become one of the fast-developing provinces in Central Luzon. It is why we must commit to preserving the environment, improve forestland utilization, and learn to reap the economic benefits of our natural resources sustainably.

The Philippine Constitution also mandates conservation of our forest lands. Article XII, Section 4 of the 1987 Constitution provides that:

"The Congress shall, as soon as possible, determine by law, the specific limits of forest lands and national parks, marking clearly their boundaries on the ground. Thereafter, such forest lands and national parks shall be conserved and may not be increased nor diminished,

except by law. The Congress shall provide for such period as it may determine measures to prohibit logging in endangered forests and watershed areas.”

Thus, this measure seeks to realize this Constitutional mandate and ensure that next generation Tarlacaños will also enjoy the lush resources abundant today.

If approved, this measure will delineate the specific limits of forest lands in the Province of Tarlac. The permanent forest estate of the Province will cover an approximate forest land area of 90,752.95 hectares composed of sixteen forest land blocks (Blocks A-P) found in the municipalities of Mayantoc, San Clemente, Gerona, San Jose, Bamban, and Capas.

Let's conserve, protect, and develop the remaining forest resources of the province of Tarlac and encourage sustainable economic and environmental growth for all Tarlaceños.

In view of the foregoing, the passing of this bill is earnestly sought.

A handwritten signature in black ink, appearing to read "Benigno", is centered on the page. The signature is fluid and cursive, with a long horizontal stroke extending to the right.
