SENATE  
S. No. 2155

RECEIVED

Introduced by **Senator Richard J. Gordon**

---

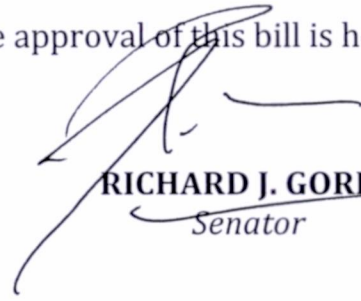

**EXPLANATORY NOTE**

On 24 February 1995, Congress enacted Republic Act (R.A.) No. 7919, or "The Alien Social Integration Act of 1995", which allowed aliens whose stay in the country has become illegal to gain legal residence upon proper application and official registration, meeting certain conditions and submission of documents, and payment of fees from the period 01 June 1995 to 31 December 1996.

On 30 December 1996, Congress enacted R.A. No. 8247, which extended the applicability of benefits under R.A. No. 7919 to June 30, 1997.

In November 2016, the Bureau of Immigration estimated at least 500,000 aliens who do not have proper documentation or are overstaying in the country. This measure intends to allow aliens whose stay in the Philippines has been illegal, to be socially and economically re-integrated into the country and, at the same time, allow the government to generate funds, directly from the program, and indirectly from internal revenues paid by aliens who derive income from within the country, to support key programs of the government. This will also allow these aliens to be brought under the regulation of the government, particularly the Bureau of Immigration.

In view of the foregoing, the immediate approval of this bill is hereby sought.

**RICHARD J. GORDON**  
*Senator*
